MUTUAL BENEFICIAL SOCIETY OF MIAMI CONFERENCE

For the constitution of this society you are referred to the Minutes of 1931. Members of this society pay $2.00 Mortality Assessment on the death of any member. The treasurer then pays the sum of $200.00 to the heirs of the deceased. There is an admission fee of $1.00 and the annual dues are $1.00. Any member who has paid into the treasury of the Society $200.00 is relieved from further payment of Mortality Assessments. All members of Miami Conference and their wives are eligible, and may become members by sending the admission fee to the Secretary. Payment from this society has been a great help in times of trouble, and membership is urged not only as a matter of protection but also of service. The society, in the forty-five years of its existence, has paid sixty death claims.

The One Hundred and Twenty-Third Session of Miami Conference met in the Arcanum United Brethren Church, Wednesday, August 24, 1932, at 9:30 a.m.

We find God and keep ourselves in His love by the practice of His presence and the expression of His Spirit. God is not an engineer outside the universe. He lives in our hearts, and if we meet the simple conditions, we may live in joyful fellowship with Him. The great need of these days is that we should continue in the love of God."

Bishop Clippinger introduced the Anniversary Day Program with appropriate remarks. He said that we may gain much from a study of the struggles and hardships of other years. It is a sign of civilization when we remember and record the story of the service and sacrifice of the past.

Rev. N. L. Linebaugh, pastor of the Arcanum Church, gave an historical address on the theme, "Some Yesterdays." He referred to Simpson and Mary Albright, leaders in founding the Arcanum Church, and introduced Miss Margaret Hawley, great granddaughter of this couple, and pianist of this assembly.

"The Miami Valley was a center of Indian life, the home in turn and the battleground of many tribes. This land was claimed by the Indians, then the Spanish, French, and English, and finally by the American Colonies. Nations fought with each other and used the Indians as their allies in the effort to gain control of this country.

"The United States Government sent General Hamar and then General St. Clair to subdue the Indians. Both these armies met disastrous defeat. Gen. Anthony Wayne was the leader of the third expedition. This was successful and led to the treaty of Greenville in 1793. But peace was not permanent and life was not safe in the Northwestern Territory until the close of the War of 1812 and the treaty of 1817. Following this treaty there came a flood of pioneers into the Miami Valley and into Darke County.

"As soon as settlers came, zealous circuit riders of the United Brethren and other churches came into the pioneer homes and settlements. From these beginnings grew the twenty churches with over 3000 members of the United Brethren Church in Darke County today."

Bishop G. D. Batdorf, Presiding Bishop of the Eastern Area, was presented. The conference stood to greet him, and he then expressed his delight in being present on this occasion. He spoke in happy appreciation of the years of fellowship in Miami Conference. He then gave the anniversary address of the day on the theme, "A River of Life."

The "River of Life" to which he referred was the Christian church. It has enriched every element of our cultural and civil life. Security depends on morality, and morality on religion, and religion on the Church of Christ. In regard to the church as "A River of Life," he spoke on the glory of its service, the assurance of its survival, the miracle of its renewal, and the process of its re-creating activity.

The bishop's address made a profund effect on the conference, and was very much appreciated.

The following were introduced by Rev. N. L. Linebaugh: Miss Sarah Aikman, who helped to organize the first United

Brethren Sunday School in Arcanum, and Mrs. Maria Gramm, who was a convert in one of the first meetings held here.

He showed a copy of the Minutes of Miami Conference for the session held in Arcanum in 1873, and read names from the roll that he found in it. He referred to the fact that much time was given in that session to the examination of the ministers. He read interesting bits from this record and referred to men who were active in the ministry at that time and others whom he had known. He then gave some points that were emphasized in the preaching of those days. Among these were the power of the devil, the curse of sin, and the danger of neglect.

Reminiscences were brought by former pastors of the Arcanum Church: Revs. M. R. Baer, W. M. VanSickle, G. T. Powell, J. A. Pantle, W. C. Niswonger, J. L. Armstrong, and D. R. Wilson.

Rev. O. O. Arnold spoke on "Forward Together." He pointed out as citadels of our national life which we as a church are called to defend: purity of home life, prohibition, prosperity, peace, and piety.

The conference adjourned.

Facing the Future

Gladdened by days of fellowship, inspired by timely addresses, encouraged with a new vision of our task and our Lord, we go forth with the purpose to make this the richest year in service and the most successful year in the life of the churches of Miami Conference. With His help we will.

Reports Relating to Conference Administration

SUPERINTENDENT'S REPORT

To the Bishop, Members and Friends of Miami Conference:

I beg to submit to you my third annual report, in this the One Hundred Twenty-Third Session of Miami Conference; and since this is, as was last year, an historical occasion, permit me to mention a few facts gleaned from the conference minutes of 1873, a copy of which came into my hands a few days ago.

This conference was held at Arcanum, Bishop Weaver presiding. C. W. Miller and W. Dillen were the Presiding Elders. There were 25 appointments, 7 stations, 12 circuits, and 6 mission stations, 81 preaching places, 77 organized churches, and a membership of 5770. The total salary of the two presiding elders was $1353.70. Many other interesting things might be noted, if time would permit, and many interesting comparisons made with these figures of fifty-nine years ago.

My health has been considerably below normal a part of the past year, but is materially improved at the present time, for which I am exceedingly thankful.

I wish to acknowledge gratefully, the help and support of the Bishop, district leaders, pastors, and people during my three years of superintendency; and I wish for my successor the same loyal support.

IN MEMORIAM

During the past three years, eight have fallen from our conference ranks; three of the eight during this year: Mrs. E. W. Bowers, who died September 2, 1931; Bishop C. J. Kephart, who went to his crowning from Shelby, Nebraska, on July 20, 1932; and Mrs. W. I. Comfort whose beautiful life came to an end here on March 15, 1932. Our prayers are for the bereft relatives, and for ourselves, that we may be faithfully serving the Master when the call shall come to us.

RESIGNATIONS AND APPOINTMENTS

On August 28, 1931, Rev. Ernest A. Waldon was appointed to Union Chapel.

September 5, Rev. D. S. Eshleman resigned Caylor-Abbottsville Charge, and was appointed to Rossburg, September 23.

September 5, Rev. Wm. L. Young was appointed to Caylor-Abbottsville.

Rev. E. S. Weimer resigned Waterhouse-Rosehill Charge, September 14, and Rev. Lester M. Kauffman was appointed.

September 19, Rev. Edgar A. Griffith was appointed to Antioch Church.

Rev. Ivan Jenkins was appointed to Rockdale Church on September 22, 1931.

On September 24, J. W. Semrau resigned Ninth Street Church, Hamilton, and Rev. A. S. Wolf was appointed, September 26.

Rev. Paul L. Arnold resigned Beardshear Church, February 9, 1932. Rev. W. Bryan Green was appointed on February 28.

DISTRICT MEETINGS

In October, District meetings were held, in conjunction with the Christian Education and the Women's Missionary Association organizations

of the conference, in Ithaca, Eaton, High Street, Clifton, and Hamilton. The meetings were well attended and the interest was fine.

District meetings were also held in the interests of Bonebrake Seminary.

RECOMMENDATIONS

W. Bryan Green, Robert Eshleman, and Frederick Miller are asking for Annual Conference Licenses.

Mrs. Fred W. Engle requests a transfer of her Deaconess License to St. Joseph Conference.

QUARTERLY CONFERENCE PREACHERS

The following Quarterly Conference Licenses have been granted or renewed: Sylvester Johns, Cherry Grove; Walter Gable, Mt. Airy; John Lemons, Oak Street; Connie O'Brien, Greenville; Robert Whipp, Euclid Avenue; Phillip Deever, First Church; Miss Martha McDonald, Lagonda; Miss Mary Jane Huling, Lockington; Miss Edith Bittner, Otterbein Home; George W. Oliver, Stanley A. Forner, Earl Winkler, and Miles S. Ingram, High Street; George Burch, Lay Preacher's License, Piqua; Edward Niswander, Euclid Avenue.

MEMBERSHIP

Pastors' reports show 1563 members received during the year and 1069 lost, which leaves a net gain of 496. 1196 conversions are reported.

FINANCES

The conference has again shown its loyalty to, and deep interest in, the Otterbein Home and Bonebrake Seminary, by giving to the former $9091.77, and to the latter $5427.06.

The total paid on Benevolence Apportionments will be about $37000, which is a decrease of $9000 from last year. There will be a similar decrease in pastors' salaries and other current expenses.

DISTRICT LEADERS

The district leaders are not making separate reports this year. Pastors have made their reports to them, and these leaders have made reports to me. There are many interesting and commendable things in their reports that space will not permit me to mention. These leaders have rendered faithful and satisfactory service in the holding of the Quarterly Conferences and in promoting the work of the church in their several districts.

PERSONAL

I have appreciated the privilege of sharing in the sacrifice and effort made during the past three years of our economy plan.

I trust that my health may continue to improve, to the extent that I may be able to serve in a quiet pastorate for some time yet, the Lord being willing.

I want again to gratefully acknowledge the love, support, and cooperation of my brethren in the ministry, and of the laity in Miami Conference during these days of our pressing need.

W. T. FRANK, Supt.

COUNCIL OF ADMINISTRATION

SUMMARY OF YEARLY MINUTES

Four sessions of the Council were called during the year on the following dates: September 14, 1931; December 7, 1931; February 12, 1932; and June 3, 1932.

The Bishop, Superintendent, District Leaders, Conference Board of Christian Education, and the Miami Branch of the Women's Missionary Association submitted reports that indicated progress in the work.

Many items were presented for consideration, and the following were approved on motions properly supported and voted:

1. That R. L. Henry, Harrison Upton, and C. W. Schwab be constituted a committee to appraise the parsonage jointly owned by the State Road—West Elkton and Greenbush—Brown's Run charges.

2. That Rev. D. S. Eshleman be granted an appropriation of $100, same to be paid in quarterly payments of $25 each.

3. That the Farmersville—Johnsville Charge be returned to the West Dayton District as per their request.

4. That the secretary be authorized to limit the minutes to 72 pages, if possible, and that 500 copies be printed.

5. That the Historical Committee be instructed to obtain a complete set of conference minutes covering all the sessions of Miami Conference.

6. That allocations of quotas for the Preachers' Pension Fund be deferred.

7. That the superintendent be authorized to procure conference stationery for his own purposes.

8. That sympathy of the Council be expressed to Brother R. L. Henry, whose companion passed away soon after the last annual conference session.

9. That Rev. E. R. Turner and Clifford Kreite be instructed to investigate the circumstances relative to obtaining a deed for the parsonage at the State Road—West Elkton Charge, provided no copy of a deed could be found.

10. That Rev. E. H. Nichols and the pastor at Lockington be authorized to investigate the situation at the Bunker Hill church where services were being promoted by an unauthorized party; also that they ascertain the conditions relative to the request from Mary Jane Huling for a renewal of quarterly license—she having been licensed by the superintendent of the old Auglaize Conference.

11. That Rev. N. L. Linebaugh be named a member of the Historical Committee of the conference, and authorized to gather historical data for this annual session.

12. That Rev. Ivan Jenkins be recommended for beneficiary aid.

13. That Rev. Ivan Jenkins be released from preaching at Harrison, and that the superintendent arrange for Rev. C. E. Fryman to have charge of the services at that church.

14. That the district leaders plan for laymen's meetings instead of a series of district rallies for the purpose of giving information relative to the program and work.

15. That the district quotas for realizing the $7000 goal for Bonebrake Seminary be as follows:

Cincinnati District	$1,000.00
Middletown District	750.00
South East Dayton District	750.00
North East Dayton District	750.00
West Dayton District	2,500.00
Lewisburg District	500.00
Greenville District	750.00
	$7,000.00

16. That an appropriation of $100 be allowed Rev. E. S. Weimer, and that the trustees allow a $500 appropriation to the Oakwood Church.

17. That special Easter envelopes be procured for an offering on benevolences, and that a letter by the Bishop and Superintendent be sent to all pastors relative to same: also that an adequate program of publicity be promoted concerning the need of a generous contribution for this purpose; and further that Wednesday of Passion Week be set apart as a day of prayer for the success of this vital interest.

18. That Dr. W. T. Frank and Rev. O. O. Arnold make inquiry as to the possible sale of the Brock church.

19. That June 20 be fixed as the date for our conference fellowship dinner session in the interest of Bonebrake Seminary; that same be held at the Seminary and the price of the dinner be 25 cents; and that the superintendent send a letter to all pastors urging attention toward this vital need.

D. T. GREGORY, Secretary.

REPORT OF THE BOARD OF CHRISTIAN EDUCATION

Your Board of Christian Education begs leave to present the following report:

We have tried in the past year to fulfil our tasks in three main fields: 1. The relating of the churches and people of the conference with our church college; 2. The conducting of rallies, conventions, and training schools, and 3. The stimulation of Christian education in the local churches.

In the first task, we had representation from our board at two Educational conferences in Westerville, conducting a special "student aid" offering, and tried to make contact with young people in the interest of the college.

In the second group of tasks, we cooperated with the conference officials and the officers of the Miami Branch of the Women's Missionary Association in a very successful round of fall rallies. Our annual convention and leadership training school at Xenia were an unusual success. It is our purpose to strengthen the program and curriculum of this feature of our work even more for next year. We also cooperated with the General Board of Christian Education in boosting the Westerville training school.

In the third phase of our work, we have tried through letters, through the Miami Messenger, and through personal contact to raise the standards, and increase the results of Christian education in the local churches.

Statistics of the various organizations for which we are responsible show that average attendance in the Sunday schools of the conference has increased 1233 over last year; membership in Senior Christian Endeavor increased 252; Intermediate Christian Endeavor decreased 140, and Junior Christian Endeavor increased 51.

We pledge you our best efforts in the great field of Christian Education, and crave your heartiest support.

Respectfully submitted,

JOE P. HENDRIX,

General Director Conference Board of Christian Education.

Reports Relating to Personnel

REPORT OF COMMITTEE ON MEMOIRS

We sometimes think that our God works in most mysterious ways. Today we remember with keenest feelings the span of years represented in those whom our God has called from this life to the life beyond.

Mrs. Ida Elizabeth Comfort, wife of our beloved brother, Rev. William I. Comfort, who has been the pastor at the Otterbein Home for some time, was called by death March 15, 1932, following an extended illness. She was in her thirtieth year, the daughter of Mr. and Mrs. Newton Kline, who reside near Dayton, Ohio.

She was a woman of beautiful Christian character and devoted to Christian ideals and to the work of the Church. While it seems doubly sad that one so young should be taken from the work she so much loved, yet she has left an abiding and blessed influence in the circle in which her life has been lived.

The funeral services were conducted from the Otterbein Home, with Bishop A. R. Clippinger and Dr. W. R. Funk in charge.

Mrs. Dora Belle Bowers, daughter of Mr. and Mrs. Davis Ault, was born at Eldorado, Ohio, February 14, 1856, and passed to her crowning in September, 1931.

She was united in marriage to Rev. E. W. Bowers August 2, 1877. To this union came five children: two sons and three daughters. Of these, there remain three children to mourn the loss of mother.

Mrs. Bowers became a follower of Christ when fifteen years of age, and united with the Otterbein Chapel congregation. A little later in life she enjoyed a deeper and richer experience in her religious life, thus coming to appreciate her Lord the more. At the time of her death she was a member of Arlington congregation.

She leaves three children, a number of grandchildren, and a large circle of appreciating friends to mourn her departure.

She has crossed the silent river;
  She has joined the angel band;
There she'll meet her blessed Saviour
  In that bright and happy land.

Bishop Cyrus J. Kephart was born in Clearfield, Pa., February 23, 1852, and passed to his reward from the home of Rev. and Mrs. Stiverson, Shelby, Nebraska, July 20, 1932. He was converted at the age of twelve years, and remained a faithful follower of his Master.

Bishop Kephart attended the public school, and the academy at New Lebanon, Pennsylvania. In 1869 his parents removed from the old home to Iowa. Here he attended Western College and graduated in 1874.

On December 4, 1873, he was united in marriage to Miss Sallie S. Perry. In 1871 he received quarterly conference license to preach and in 1874 became a member of the Iowa Conference. He served one year in the pastorate, and recognizing the necessity for a better preparation for his life work he entered Union Biblical Seminary and graduated with the class of 1878. From this time on he was in demand in various fields, so that he changed often. He was principal of the Avalon Academy, 1878-1885; professor in Western College, 1885-1887; pastor at Des Moines, 1887-1889. He was then called to become the president of Lebanon Valley College where he served from 1889 to 1890; following the presidency he became pastor of Trinity Church, Lebanon, and served from 1890 to 1894; the Pennsylvania Sabbath School Association called for his service and he served as State secretary from 1894 to 1897; he then returned to educational work and became president of Avalon College, serving from 1897 to 1899; the church at Des Moines, Iowa, called for his service and he became pastor, serving from 1899 to 1903; in 1903 he became pastor of the Lisbon Church and served until 1908; when he accepted the call to the First Church of Dayton, Ohio, and served until 1913. He was then elected Bishop, and held this office until 1925 when the General Conference of

that year elected him Honorary Bishop. Since the time of his retirement he had been engaged in teaching and writing.

Bishop Bell says of him: "He was a superior preacher. He was a great thinker, and his thinking had the support of scholarship. He had convincing delivery. Those who knew him intimately knew him as a man of deep tenderness."

Bishop Clippinger says of him: "A devoted Christian and a loyal churchman has gone to his reward. To know him was to love him. My estimation and appreciation would not be complete if I did not speak of the sweetness of his life as he came down to old age."

Bishop Batdorf says: "Bishop Kephart's home-going has taken from us one of our most esteemed and courageous leaders. My regard for him and my appreciation of him grew with the years."

Bishop Statton has called him, "My illustrious predecessor."

Bishop Kephart was a great friend, preacher, executive, and writer.

There's a city fair up yonder,
Land of bliss and joy;
Beautified by life's bright river,
And its streets are paved with pure gold.
Oh, I often sit and ponder—
Shall I dwell beside the river?
That fair city shall I see.

In that land of light and beauty,
With my loved ones gone before,
Shall I fuller learn of duty,
Boundless realms of truth explore?
Oh, I often sit and ponder—
Will it ope its gates for me?
That fair city shall I see?

Oh, to be at home with Jesus,
In that land of light and love—
Can there be for me, a sinner,
Such a home of bliss above?
Yes, I often sit and ponder—
Will it ope its gates for me?
Shall I rest by that fair river,
And with Jesus ever be?

Yes, that city, that fair city,
Shall its gates to me unfold;
There with Christ, my Lord and Savior
I shall live in joy untold.

—Bishop C. J. Kephart.

Reports of Standing Committees

THE CHRISTIAN HOME

The family is a unit of the Church as it is of society. One of the major tasks of the Church is to include in its program a course of instruction which has for its end the creation and maintenance of a Christian atmosphere in the homes of its members.

There is no greater crime against God, against the Church, against society, against civilization, than to rear children in a Godless atmosphere. No tragedy is greater than that of neglected childhood, and every child allowed to grow up without moral and spiritual training is a neglected child.

Reports from criminal courts show that seventy-five per cent of the adult criminals began their careers as juvenile delinquents. Fifty per cent of the children brought before criminal courts are from homes where the atmosphere was Godless and where parents were negligent in their obligations to their children.

These things being true, how shall we order the Christian home? **First,** that we try to re-establish in each home the broken-down altars, where the Bible will be read and prayers offered up to our Heavenly Father; and where religion will be taught to the children. (A) By example. This means parental conduct. (B) By means of religious conversations in the home. (C) By means of right environment in the home. Having the right

kind of pictures, the right kind of literature, proper games, and a wholesome social atmosphere in general.

Second, that a definite pastoral visitation be made in the homes of the people for the purpose of giving helpful counsel regarding the practice of family religion.

Third, that a definite effort on the part of the pastor and Christian parents be given to lead their children to Christ and church fellowship.

W. N. MIRANDA, Committee.

THE OTTERBEIN HOME

The Otterbein Home is becoming more popular every year, and those who know, say this has been the best year in its history. There is the finest kind of cooperation among the managers. The farm, home, and school not only cooperate but a beautiful fellowship exists which is contagious, and is shown among the children as well as among the old folks.

The treasurer's report is the best in the last eight years. There has been a decrease in the expenses over last year by more than $36,000, and the debt has been reduced by over $10,000. The farm made a profit even in this year of depression and in face of a milk war.

Two sets of friends made this possible. First, those out in the field who helped with their means and prayers, and second, our workers in the Home and on the farm, who sacrificed time and effort to reach the top notch of efficiency, cooperating in every possible way to economize to the limit.

As long as the Home exists there will be many needs and we will be called upon for special gifts. Last Christmas the offering was $16,000 less than the preceding year. Thus the shrinkage of the offering leaves nothing for operating expenses nor for payment of annuity interest. Our day calls for self-sacrifice and cooperation.

Resolved:

1. That we renew our goal of one dollar per member for the Christmas offering.
2. That a strong committee in the conference be selected to give assistance to the local churches.
3. That a committee in every church be selected early to lay plans for the Christmas offering.
4. That every Sunday school put on the new playlet entitled "Animated Statistics of Otterbein Home," or "John Bailey's Vision," or "Treasures in Heaven," if not previously given, and notify the office in Dayton, indicating which playlet is desired, also number of stockings and envelopes that can be used to an advantage; all of which will be furnished free.
5. That the Otterbein Home News will be sent free to every family contributing $2.00 or more to the Christmas offering. The News will be sent free for the remainder of this year to any whose name and correct address is sent in by the pastor.

Respectfully submitted,

M. I. COMFORT.

CHRISTIAN STEWARDSHIP

Christian Stewardship is managing life and its resources for God. There are four fundamental things which are essential to the Christian life. The Word of God, which is the bread from heaven for our souls. Then prayer, a living touch with our Heavenly Father. Then love for others to lead them into the way of life. And fourth, the grace of giving.

There is a growing conviction that more attention needs be given to the inner spiritual springs, from which the streams of true stewardship living and practice flow. We must get to the man himself, his character; back of what he gives to what he is.

Many Bible passages definitely assert Divine ownership. "The silver is mine and the gold is mine, saith Jehovah of hosts," "All souls are mine." These verses and many others place God supreme, but man is given a most responsible place as steward, or partner with God.

Man must know his position, and be obedient as a child of God. A day of testing has come. Will the men of our churches follow the Son of God as He goes forth? It is a sacred privilege to follow Christ as He prayed from time to time. When we see how real prayer was with Him, and how much time He gave to it, we cannot but realize how fruitless and powerless our service for Him must be without it. Christ works when we pray as He cannot work when we cease to pray. If money is to be found to finance the Kingdom, the men of the Church must resolutely purpose to be men of prayer.

A steward is a trusted administrator. In the use of possessions he is entrusted with authority to represent his Master, and in this it is required that he be faithful. As long as we pray, we will probably be faithful, and not in danger of embezzling our Lord's goods.

Stewardship and tithing are not synonymous. Stewardship is more than tithing. In giving the tithe, we only pay a debt. As a steward all of our possessions are the Lord's, and we must use them as such. Horace Bushnel said, "One more revival is needed; the revival of Christian stewardship, the consecration of the money power to God."

Finally, to be a faithful Christian steward is simply to obey Jesus Christ to seek to publish His gospel to every creature and to apply His teachings to all relationships.

Committee.

THE CHRISTIAN SABBATH

The Christian Sabbath or Lord's Day is not a human invention, but it is a divine institution. In the process of creation, the Creator sanctified a seventh part of time unto a holy purpose by resting from labors of temporal interests. In the Old Testament laws it has equal standing with laws against idolatry and murder. Christ emphasized the Sabbath by saying it was made for man. It is a day for the soul to fellowship with God and renew its spiritual energies. If this day becomes as other days, when will God find opportunity to give unto the soul of man its needed vision of spiritual values? The present condition of affairs has both helped and hindered men in their observance of the Lord's day. IIt has shown some that pleasure and gain are not as durable as they had thought them to be, while others find themselves without ability to support the Kingdom interests as before and become discouraged in their efforts. It is evident that the commercialized pleasure appeals on the Lord's day are capturing the interest of many of our people, therefore, be it resolved that we endeavor to put the Lord's day on the heart and conscience of the Church and let the world be responsible to God for its desecration.

OTTERBEIN COLLEGE

The Committee on Otterbein College submits the following report:

In his recent annual report to the trustees President Clippinger stated that the liberal arts college faces a two-fold crisis: First, an adjustment of

its work to new social conditions; Second, financing itself through this period of economic reorganization. The second problem calls for universal cooperation of the Church and the alumni.

More specifically we note the problems of Otterbein College. First, there is the problem of student enrollment. The United Brethren Church at large furnished only sixty per cent of the enrollment last year. Miami Conference's enrollment ranked lowest of the four Ohio conferences. In the year just closed only forty-five young people, or less than one for every two churches, were from the bounds of Miami Conference.

Second, is the problem of college morale. Discouragement and low spirits characterize young people in times like these. Miami Conference's share in developing college morale is encouragement of her young people to Christian culture and idealism such as Otterbein seeks to instill into her student body.

Third, is the problem of finances. Due to lack of funds many Otterbein students are scattering off to other institutions or dropping out altogether. This affects college morale as well as enrollment. Rendering financial aid to worthy students may be as important this year as rendering direct aid to the college, though both are essential.

In consideration of the above we recommend: First, That we exalt more than ever the value of an education in Otterbein College. To this end we shall cooperate in any educational conferences that may be called; observe Education Day in February; give moral support to Scholarship Day in May and to athletic tournaments in which the churches may be invited to participate.

Second, That we seek a better understanding of the college. This can be accomplished through visits to the campus and through correspondence with our young people who attend the institution, and by piloting college-minded high school students on visits to the campus.

Third, That we invite the churches of the conference to share in another Student Aid offering during the coming year.

Fourth, That we keep before our people the opportunity of financial support of Otterbein College as a worthy Christian enterprise.

Respectfully submitted,

M. B. KLEPINGER,
Committee.

BONEBRAKE SEMINARY

The United Brethren Church need not apologize for its theological seminary. Its only embarrassment at the present time is a debt which has placed it in an unfavorable light in the eyes of some members of the church. Its critics would do well to consider the high scholastic standing of its faculty, the fine quality of scholastic work done, its splendid religious atmosphere and its outstanding contribution to the Church in providing a trained as well as consecrated leadership. Bonebrake Seminary might well ask its critics, for which of my good words do you condemn me.

Many persons have lost sight of the real merit and worth of the institution as they focus their attention on the debt hanging over it. Some have said that this debt is greater than the United Brethren Church can bear, yet these same persons each year contribute many times their share of this debt to tax supported institutions from which they receive little or no benefit.

The United Brethren Church is demanding a thoroughly trained ministry. There are but two ways of providing such training: First, to provide proper facilities for such training; Second, to become religious and social parasites, by depending upon some other denomination to provide the

means of training our ministers. Surely, we as a Church have too much respect for our good name to allow the second way to become a reality.

A word of commendation should be given the Miami Conference for her heroic accomplishments of the past, but we can not, we dare not, stop. We must gird our loins for the task ahead, which by God's help we will do.

RECOMMENDATIONS

1. That each of us boost Bonebrake Seminary by supplying interesting information concerning it and its work.
2. That every Church in Miami Conference form a prayer group which shall pray each day for the spiritual life and material resources of the Seminary.
3. That every pastor in the conference give his hearty cooperation to the Conference Seminary Commission and its plans.

Respectfully submitted,
EMERSON D. BRAGG.

CHRISTIAN EDUCATION

Christian Education is comprehensive, including Christian instruction, nurture, and training. All the factors are utilized which influence one to be and live like Jesus. It merits no suspicion if made to embrace all that builds Christian personality.

The Church's precedent for education is the example and admonition of the Great Teacher. He taught with authority, spoke as never man had spoken, lived as the incarnation of his declared truths. His disciples are commissioned to go and teach every creature.

Now, it is axiomatic that Christian education must be Christian. To be Christian, Christ's ethical, moral, and spiritual truths must be taught, his way of life revealed. He himself, the Way, the Truth, and the Life, "Whom to know aright is life eternal," must be experienced, loved, accepted, and possessed.

Evangelism or soul-winning is an indispensable phase of Christian education. Truths imparted and proper guidance induces conviction of sin through the Spirit and a deep sense of need, encourages faith in Christ's atonement, and the acceptance of him as a personal Savior unto the remission of sins and a holy life. Education leads to conversion, nurtures the regenerated creature, unfolds the personality until it shares the fullness of Christ's stature, thoroughly furnished unto every good work.

Moreover, knowledge is impotent apart from the vitalization and dynamic of the indwelling Spirit. Our weakness needs transforming power as well as precept, an indwelling life as well as light, saving grace as well as spiritual knowledge. Christ's standard is exhaustive and hopeless without His implanted life. Education does not make a Christian, God makes him. It leads to and works out the salvation which God works in.

Whereas, Christian education brings into the Christian experience, unfolds and enriches the new creature, and trains for Christian service, let us devote ourselves to it.

Let us provide and encourage the use of the best instruction, training and example through the Sunday School, Christian Endeavor, worship services, instruction classes, conventions, training courses, home religion, besides many others.

Let us gratefully acknowledge the services and follow the leadership of our Conference Board of Christian Education and also the General Board, loyally supporting its Enlistment Campaign and program.

Respectfully submitted,
EARL STOCKSLAGER.

EVANGELISM

At this moment, the situation in our world is desperate and beyond the control of men. Unless there is supernatural intervention, it will probably grow worse rapidly. The supreme need is a great spiritual awakening. This can come, unless all history be written in vain, only through the preaching or promulgation of the gospel or, in other words, through the medium of evangelism. The subject is not only as broad as the Church, it is as great as the world and reaches from Calvary through all eternity. Such a tremendous task cannot be treated lightly, and yet, necessity compels us to condense our discussion and recommendations into a few lines.

First, let us consider the messenger. He must know God experimentally. He must love the Lord Jesus Christ supremely and his fellowmen intensely. Also, He should be a trained diplomat and, above all, willing to obey, as did Philip, the Holy Spirit.

Then, the message itself should be a plain, simple declaration of the gospel of love. Man is a sinner lost and cannot help himself. Jesus alone can save him. "By grace are ye saved through faith; and that not of yourselves: it is the gift of God." The Lord Jesus Christ is the divine son of God. He came to save. There is no other way of salvation, except by repentance and faith.

We are, undoubtedly, in the closing days or years of this age. Since the time is so short and the need so vital, every saved soul should be an evangel to some unsaved soul. The minister of every local church **must** direct and lead these evangels. The year before us presents the most vital need and the greatest opportunity since Calvary. It may be the Church's last chance for service before the coming of her Lord. Know the Word and make it known as God directs. We do not know a better method and we recommend it to every minister in this conference. Let our slogan be—"Souls, not Programs! God's Word, not Man's!"

Respectfully submitted,

O. L. BARNGROVER.

REPORT OF THE COMMITTEE ON FOREIGN MISSIONS

Many forces and movements are clamoring for supremacy. Communism is bidding for world leadership, trying to offer a way out of the present distress. There are more martyrs to the cause of Communism today than to any other world movement. Secularism bids for a place. It would have us live our lives as though there were no God. Christianity is still the most masterful or creative force in the world, working toward individual and social regeneration. Of all times, this period of readjustment is the most opportune moment to move forward with the claims of Christ and His Lordship over the **whole of life** in the **whole** world.

It, therefore, is imperative that we as a conference give our best efforts and fullest cooperation in the realization of the goals and program of world evangelization under the leadership of our Foreign Mission Board.

I. WHAT IS NEEDED:

1. More prayer.
2. Faith and courage to go on.
3. Hearty cooperation with, and support of the younger churches on the mission field.
4. The return of our detained missionaries.

5. A much enlarged program of evangelism in order to reach more of the unoccupied areas.
6. Knowledge and conviction relative to our responsibility as followers of Jesus to preach the gospel to every creature.

II. PLAN OF WORK—To Develop the Missionary Spirit:

1. Provide missionary instruction by promoting a church school of missions in each local church.
2. Urge the observance of Mission Sunday once a month in every Sunday school.
3. Encourage the use of the open forum method for the discussion of mission topics among young people and adults.
4. Preach at least four missionary sermons a year, including the work at home and abroad.
5. Train the Church to pray for specific objects and needs on our fields by devoting one prayer meeting a month to such purpose.
6. Observe Foreign Mission Day the first Sunday in March.
7. Provide opportunity for each congregation, local organization, or individual to give expression to their missionary interest by presenting to them various objects which they might help support either on the budget or over and above the budget.

Respectfully submitted,
L. B. VENATTA, Committee.

HOME MISSIONS AND CHURCH ERECTION

Since the very beginning of the Home Missionary Society in 1905, the Society has given a good account of itself in the contributions it has made to the building of the denomination. Over a period of a little more than a quarter of a century, 392 churches have received assistance from the Home Missionary Society. Today the Society supports 130 missionaries who are working in 21 states and 23 conferences.

Many leaders in both Church and business life have declared repeatedly that the most urgent, vital, and imperative need today is spiritual power. If this is true then the record of achievements in home missionary work stands like a signpost pointing the way to such a goal. In 26 years 72,061 members were added to our denomination, an average of 2,669 every year. The record of soul saving in home missionary fields is only equaled by their liberal giving to the general interests of the denomination. You should read carefully the new pamphlet, "The Great Adventure—Christianizing America." The pamphlet is furnished at less than three cents per copy and should have a wide distribution among our people.

The program originating in the office of the Home Mission and Church Erection Society means strength and progress to the entire denomination and deserves the hearty support of the pastors and their people. Home Mission and Church Erection Day should be observed in November in all the churches. Stereopticon lectures, posters, pageants and new literature are at your disposal and you are urged to use them in the observance.

At this great crisis in the moral and spiritual history of the race, let us, as a conference, endorse the program of the Society and pledge our loyal support to Dr. Russell S. Showers in his untiring and consecrated leadership.

Respectfully submitted,
HARVEY G. CLARK, Committee.

MINISTERIAL PENSIONS

Protection is a word of good cheer, of safety and service; whether it is applied to property or to life. God's plan is to protect His own against every foe, seen or unseen, for time and for eternity. We, too, are exhorted, "to bear one another's burdens" to take care of the aged, the poor, the widows and the orphans. Accordingly, many secular organizations, including our government, are pensioning their veterans. It greatly exalts a profession or calling when its aged are honorably cared for.

The Church should merit our highest appreciation and fullest support; for its ministers are the defenders of the faith. To rightly care for them, is a long step toward placing the Holy Church in its proper place of recognition and influence. The pension plan is honoring the call of God as well as the called of God.

The larger denominations are successfully pensioning their retired ministers. Some of our conferences and the Publishing House have given some help to the aged preacher; but it was very inadequate. Ten years ago, following much prayer and consultation, our church launched a splendid pension plan for ministers of the United Brethren Church.

H. H. Baish is the general manager and Dr. J. S. Fulton, field director. Both are capable men and deserve our fullest cooperation. The plan was received with enthusiasm, and given a good start; but grave obstacles came in the way and have greatly hindered its rightful progress. The present goal for the church is to raise $100,000 annually until the necessary endowment of $1,000,000 is secured. That would safeguard the veterans of the cross, and exalt the ministry.

As a Conference, let us resolve to give our worthy leaders our best support in a vigorous campaign to vitalize the Ministerial Pension and Annuity Plan.

Cheerfully submitted,
I. E. ZIMMERMAN, Committee.

PROHIBITION AND LAW ENFORCEMENT

The prohibition fight goes on. For years, those of us who were fighting the liquor traffic were on the offensive, pausing only to rejoice over the victories won and to plan additional crusades. Today, we find ourselves on the defensive. The advocates of the repeal of the Eighteenth Amendment and the Volstead Act have turned on us. They are taking the initiative, spreading their propaganda in an ambitious way and have captured the political parties. Friends of prohibition are not agreed on what course to follow.

In a presidential election year, we find the Democratic party and its nominees committed to the repeal of the Eighteenth Amendment and all enforcement laws, while the Republican party and its nominee favor a referendum on the whole question. President Hoover, in his speech of acceptance at the notification ceremony early this month, expressed his desire to retain all of the benefits of prohibition, but recommended that the matter be referred to the states with federal control. The heads of all temperance organizations in the country, save one, interpret this as favoring the repeal of the Eighteenth Amendment. Only Vice-President Curtis has had the courage to say that he continues whole-heartedly in favor of prohibition.

In our own state, the nominees of the major political parties for state offices are campaigning openly for the repeal of the Eighteenth Amendment and enforcement laws.

The Church of the United Brethren in Christ has always been active in the fight against the liquor traffic and all intemperance. We must not stop now.

In the face of these conditions, let us pledge ourselves—

1. To the support of men for public office in the coming election who are friendly to prohibition and law enforcement.
2. To the task of making our laws effective.
3. To the instruction of the people in our churches and Sunday schools regarding the evil effects of the use of alcoholic liquors and narcotics.

Respectfully submitted,
M. D. KIDWELL, Committee.

RESOLUTIONS ADOPTED BY THE CONFERENCE

W. M. A. BRANCH GREETINGS

We express our appreciation of the greetings of Miami Branch brought to this conference by Mrs. E. R. Turner; and our thanks and praise to the officers and members of the Branch and the Locals and Guilds for their faithful and efficient work.

We designate Rev. Walter N. Roberts to bear our greetings to this organization in their next convention.

O. O. ARNOLD, Secretary.

MEMORIALIZING GENERAL CONFERENCE FOR CHANGE IN BOUNDARIES

Whereas certain changes in the boundaries of Ohio conferences have been suggested by a Commission representing the various conferences;

Be it resolved that the Miami Conference memorialize the General Conference of the Church of the United Brethren in Christ to make the changes in the boundaries of the conferences in the State of Ohio as proposed by their Joint Commission. LEWIS G. LUDWICK.

A MEMORIAL CONCERNING BONEBRAKE SEMINARY

To the Thirty-First General Conference of the Church of the United Brethren in Christ, in quadrennial session assembled, greetings:

The Miami Conference, in annual session assembled at Arcanum, Ohio, August 24, 1932, does hereby most earnestly beg that the General Conference make the payment of the debt on Bonebrake Theological Seminary one of its primary concerns; and that careful and definite plans be made for the complete liquidation of this burden during the next quadrennium. We believe this to be a vital necessity in the life and progress of our Church. We believe our work, as a denomination, is and will continue to be hindered by the distracting pressure of this burden on the scale of our former methods for dealing with it. We believe, therefore, that one of our foremost concerns should be the completion of this task during the next four years, and do earnestly request that it be given primary consideration.

Presented by D. T. GREGORY.

BONEBRAKE SEMINARY

In view of the fact that the Seminary Board of Trustees has adopted a program for meeting the immediate needs of yearly payment of bonds due on the building fund, and said program has been approved by the Gen-

eral Church Board of Administration, and in view of the fact that Miami Conference already has answered the advance call of that program in a most commendable way (92 pledges having been given at an average of $37 each, totaling $3408), therefore, be it

Resolved, That we adopt said program as our plan for Seminary Cash Day in Miami Conference, and that we pledge our best and fullest cooperation toward a goal of $7000 on NOVEMBER 20 for this vital interest, and that organization and plans be begun on this task as soon after conference adjournment as possible—this organization to be promoted by the Seminary Commission, district leaders, pastors, and laymen in a great united effort. D. T. GREGORY.

Reports of Organization Committees

REPORT OF COMMITTEE ON RESOLUTIONS

We, your Committee on Resolutions, beg leave to submit the following report.

Be it resolved:

1. That we express our gratitude to God, our Heavenly Father, for his manifold blessings during the past year. Far beyond our comprehension, he has guided our forces during this time of financial collapse and perplexing problems, granting unto us success in Kingdom work.

2. That we are delighted to be the guests of Arcanum Church in this One Hundred and Twenty-third Session of Miami Conference, and share with them the anniversary of the one hundred and twenty years of United Brethrenism in Darke County, and the seventy-sixth of the organization of Arcanum Church. Their preparation for us is superb as is manifested in the beautifying of the church, and the elaborate preparation for taking care of the conference.

3. That we note with gratitude the pulpit background embellished with a picture and the heading—"FATHERS OF OUR COUNTRY"—George Washington and Phillip William Otterbein, flanked with the American and Church flags. It brings before us very vividly the parallelism between the father of our country and the father of our Church, in this the two hundredth anniversary of Washington's birth, which is the two hundredth and six of Otterbein's. Both lived during the stirring scenes of American Independence, one leading to political freedom and the other to spiritual freedom.

4. That we hereby place on record our full appreciation of the statesmanlike leadership of our Bishop, Rev. A. R. Clippinger, and the sacrificial services of our retiring superintendent. Rev. W. T. Frank, and the district leaders, in the efficient cooperative plan that has lessened the burden of the conference debt during the last three years by over $12,000.

5. That we pledge anew our loyalty to the Eighteenth Amendment to the Constitution of the United States, and shall record our opposition to any modification that will destroy its purpose. The untiring and malicious efforts by lawless groups to break down the effectiveness of legislation toward moral and social uplift challenge every Christian to a firmer and more pronounced stand for righteousness in our civic life.

6. That we arouse ourselves against the menacing and destructive prevalent influences of communism and atheism in our country, at present, as revealed by our visiting speaker, Don Falkenburg, of the Pocket Testament League.

7. That we tender our sincerest sympathies to the loved ones and friends of Bishop C. J. Kephart and other yoke fellows who have fallen during the

year. And that we commend them by our prayers to the abiding comfort and companionship of our great friend.

8. That we express heartfelt thanks for the fortitude and the sacrificial spirit manifested by hundreds of our church people in giving extra financial support to Kingdom work during the present economic disorder.

9. That we pledge our loyalty and support to the institutions of our church; especially Bonebrake Seminary, Otterbein Home, Otterbein College, and the Publishing Interests of the church.

10. That we pledge our support and give wholehearted cooperation to the conference program, this year.

11. We wish to accord recognition of the exceptional high quality of the music and singing on the conference program, especially of the ministerial quartet.

12. That we recommend that all United Brethren avail themselves of the production of Rev. N. L. Linebaugh, "Building the Church in Darke County, Ohio."

13. That we extend to the pastor and members of the Arcanum U. B. Church our most hearty thanks for the very excellent and hospitable way in which they have looked after the wants and conveniences of the members of this conference.

ELIAS CROSS, Chairman,
IRA C. CLARK,
A. J. FURSTENBERGER, Secretary,
Committee.

REPORT OF COMMITTEE ON POLICY

The Committee on Policy recommends the following:

I. EVANGELISM AND EDUCATION

1. That we stress personal and family devotions.
2. That in our evangelism we seek
   a. To build up the spiritual life of the members through a well-planned program of Christian instruction and practice.
   b. To enlist the members in regular worship in at least one church service each week.
   c. To conduct throughout the year a definite program of winning people to Christ.
3. That in our teachings of the Gospel we not neglect to apply them to meet the present day issues of economic and moral need.
4. That each pastor keep abreast of the times by reading during the year at least one recent book on Evangelism, Religious Education, Stewardship, Missions, Social Service, and Church Administration; and that he read from at least one professional magazine each month.
5. That we seek to enlist our members in the cause of good government through obedience to law, and that all church people exercise their right to vote.
6. That interest in General Sunday School and Christian Endeavor work be stimulated by a plan to be determined by the Board of Christian Education and submitted to the district leaders at an early date.
7. That definite encouragement be given to the churches for subscriptions to and reading of our Church literature, especially the Religious Telescope and the Miami Messenger, and that plans for such be left to the Council of Administration.
8. That a definite effort be made in each church to enlist the interest of the men and young people in our missionary enterprises.

II. FINANCE

1. That we promote tithing as the standard of Kingdom support.

2. That special recognition by way of commendable awards be given to the districts and through the district leaders to various churches in said districts making the best percentage showing on Benevolence quotas during the conference year; and that these awards be presented to said districts and churches at a special service in the next annual conference session. (Plans for figuring above mentioned "percentage" are to be presented to the district leaders at the first council meeting.)

3. That, in view of the fact that a large percentage of our churches find it impossible under present financial stringencies to meet their benevolence quotas in full, the conference treasurer be authorized to designate as star (*) churches, all that pay sixty per cent (60%) or more on their quotas each month, and that churches paying in full be designated double star (**) churches.

4. That an earnest effort be made in each church to have every wage earner contribute regularly to the financial support of the church.

5. That money received for benevolence and special causes be applied without delay to the cause for which it was given and not be used for local expenses.

III. PASTOR'S DUTIES

1. That each pastor keep a record of church and Sunday-school attendance and report each month to the district leader.

2. That each pastor in his annual statement to the statistical secretary report

a. Only the exact amount of cash received on salary.

b. An accurate account of contributing members.
(Note: This is understood to include parents and their children under twenty-one years of age where the parents make the sole contribution; and to include also members who are known to contribute through the Sunday school and special offerings.)

c. Total cash gifts and estimated value of materials given during the year to the Otterbein Home.

IV. COOPERATION

1. That we give our loyal support to the Annual Religious Education Convention held at Xenia, and to the Leadership Training School at Westerville by enlisting Sunday school teachers and young people to attend, and through payment of all dues.

2. That we cooperate with all Christian interests with which our denomination affiliates.

3. That churches be urged to cooperate with their pastors; that churches and pastors cooperate with district leaders and Conference Superintendent; and that all of these unitedly cooperate with the Bishop and the general interests of the denomination in the promotion of Kingdom interests.

Your Committee on Policy urges that the report as adopted have a definite working part in each pastor's and church's program during the year.

E. R. TURNER,
J. B. HENRY,
J. E. DETAMORE.
Committee.

PLANS FOR PROMOTING OUR POLICY PROGRAM

Adopted by Council of Administration, September 12, 1932.

Two phases of our policy-program are considered herein, and the recommendations are for its fullest possible realization.

In recognition of attainments and diligent efforts along the lines of Sunday school, Evangelism, Worship, Stewardship and Benevolences, we recommend special honor be given the districts that make the best record this year in these phases of work as compared with their own records of year, and that awards (as mentioned below) be presented to the district leaders who in turn will present same to the winning churches in their respective districts (as set forth below), and that an hour for this special service of recognition be fixed in the next annual conference session.

EVANGELISM AND EDUCATION

Sunday School. That we seek to make our Sunday schools more effective by (1) enrolling and teaching the largest number possible; (2) winning the greatest number possible to Christ and the Church.

The **"Award"** to be 50 copies of "The New Hymnal for American Youth."

Recognition as winner to be based on (1) average attendance as compared with that of last year; (2) number won to Christ and Church out of the Sunday school.

Example—Say the average Sunday School attendance for the district last year was 2,500 and this year it should be 3,000. This would give a rating of 120 per cent. Then suppose the number won to Christ and the Church from the Sunday School last year was 200, and this year it should be 250. This would give a rating of 125 per cent or a total rating for the district of 245 per cent.

Worship Service and Spiritual Development. That we seek to interest as many of our people as possible in regular attendance at worship and in reading our Church Literature.

The **"Award"** to be 50 copies of "The Sanctuary Hymnal."

Recognition as winner to be based on (1) average attendance in worship services as compared with that of last year; (2) number of additional **Telescope** subscriptions above the number reported for last year.

Example—Say the average morning worship last year was 1570, and this year it should be 1650. The rating would be 105 per cent. Say the evening average last year was 932, and this year it should be 1000. The rating would be 107.3 per cent. Then for every additional **Telescope** subscription above the number reported for last year there be given 10 per cent. Now suppose the district realizes a total of 25 additional subscriptions. This would give a rating of 350 per cent, or a total rating for the district of 462.4 per cent.

FINANCE

Finance and Stewardship. That we seek to cultivate soul-enrichment and growth among our people by (1) diligently promoting the work of Stewardship as it will be set before us by our Stewardship Committee at the fall rallies; (2) larger and more systematic contributions monthly to our denominational interests represented in the benevolence budget.

The **"Awards"** to be $60 and $40 respectively to the first and second districts making the best records as compared with that of last year, these in turn to be divided by the district leaders as follows, and presented to the three leading churches in their districts: $25, $20 and $15 to the leaders in the first district; $17, $13 and $10 to the leaders in the second district.

Recognition as winners to be based on (1) percentage of quota paid last year; (2) the amount paid this year as compared with the amount paid last year.

Example: Say the district paid 67.94 per cent of its quota last year. It has this percentage rating with which to begin. Then suppose it should pay one-fifth as much more this year. Its rating on same would be 120 per cent. This would give the district a total rating of 187.94 per cent.

Note: We recommend that churches be rated on the same basis of scoring, with this additional percentage advantage—that where a church pays its monthly quota in full each month it be given 5 per cent, and that where a church pays 60 per cent of its quota for the month (as set forth in the policy) it be given 3 per cent. Thus any church can add 60 per cent or 36 per cent to its rating by making prompt payments monthly.

D. T. GREGORY, Chairman.

3. **Whereas,** the Miami Conference still finds itself struggling to pay off its interest-bearing debt, which at this time amounts to $20,400, and **Whereas,** the part-time plan of superintendency has enabled us to curtail said debt $12,370 during the last three years, and

   Whereas, many of our churches are finding it difficult just now to meet their obligations toward the general benevolences, therefore, be it **Resolved,** that the part-time superintendency be continued during the conference year 1932-1933 as an emergency measure for helping to continue to liquidate the debt; with the understanding that the superintendent be appointed to a charge.
4. That the conference be divided into seven group leader districts.
5. That the salary of the recording secretary be $100; of the statistical secretary $100; of each ministerial district leader $100; and of the conference treasurer $300.
6. That the Miami Conference Council of Administration shall consist of the seven lay district leaders and seven ministerial district leaders, one of each to be appointed from each district by the stationing committee and the bishop, the conference superintendent, the conference treasurer, the conference director of religious education and the president of the Miami Branch of the Women's Missionary Association.
7. That reports of standing committees be limited to 400 words; if reports exceed this length the conference secretary shall instruct the writer to re-edit the report before it is published in the conference minutes.
8. That the conference authorize the treasurer to close the books for this conference year on Thursday after the last Sunday in August and that the statistical secretary be instructed to make his benevolent item in the Minutes conform to the treasurer's record.

9. That an offering be lifted on Sunday to defray conference expenses.

10. That the Conference Council meet quarterly.

11. That pastors' reports be sent promptly to the district leaders, who shall report same at once to the superintendent, where they shall be permanently recorded for reference and comparison.
